Welcome to Cachalot Scout Reservation

Cachalot Scout Reservation was established in 1946 as the summer camp of the old Cachalot Council. Located on 880 acres in Myles Standish State Forest, Cachalot is a fully accredited BSA camp overseen by a National Camping School certified Camp Director.

Basic Information

Cachalot Scout Reservation
P.O. Box 637
South Carver, MA 02366
(508) 295-2117
<http://www.campcachalot.org>
csr@narragansettbsa.org

Narragansett Council, BSA
PO Box 14777
East Providence, RI 02914

<http://www.narragansettbsa.org>

Directions to Camp Cachalot

From the West (New Bedford/Fall River/Rhode Island)

Take I-195 East to I-495 North. Take Exit 2 (MA Rte 58). Take Rte 58 North into South Carver. When Rte 58 veers left, continue traveling straight ahead. Take a right on Cranberry Road and follow Cranberry Road into Myles Standish State Forest. Follow the signs to Cachalot.

From the South (Cape Cod, The Islands)

Take MA Rte 25 to I-495 North. Follow directions above.

From the North (Taunton, Worcester)

Take I-495 South to Exit 2. Follow directions above.

Reservation Services

Food Service

Meals at Cachalot are served buffet style, using the waiter system. Each Scout at each table will have an opportunity to be the waiter, which includes arriving early to set up the group's table, going to the kitchen slides to get food and return dishes, and staying late to clean up. The menu is reviewed by a registered dietician before the summer season.

Special Diets: We can arrange for special diets, vegetarian, and kosher meals, if needed. Please be sure to make arrangements with the Camp Director at least two weeks before arriving at camp.

Mail

We send and receive mail every day at Cachalot. To ensure that mail is properly delivered, please include the Scout's name, Troop, and Campsite, and mail it to the Reservation address above.

Telephone

Cachalot's phone number for incoming calls is (508) 295-2117. Please keep in mind that this is primarily a business phone, for the use of the reservation administration. Non-emergency messages will be taken from 9:00 AM to 8:00 PM and delivered to the Scout's unit leader at the next mealtime. Scouts are strongly discouraged from phone use and must have a note from their Scoutmaster. All outgoing calls must be made collect or with a calling card. If a camper needs to be contacted in the event of an emergency, contact the reservation office and a message will be sent to the camper as soon as possible.

Health Lodge

The health lodge is open one half hour before and after each meal, and after evening events until 10:00 PM for issuing medication to campers. For any additional time needed for taking medications, individual arrangements can be made with the Health Officer. All medications must be turned in to the Health Officer upon arrival.

In case of injury or sickness, a health office is available 24 hours a day. Please be sure to report any injury or sickness.

Medical Forms: Each Scout and adult must have a current medical form. Adults over 40 must have a medical examination every year. All others must have a medical exam within 2 years and the health form must be signed again if there have been no major medical changes. You can obtain a copy of the medical form on our website: <http://www.campcachalot.org>.

Upon arrival at camp, or at the pre-camp planning meeting, these forms must be presented to the Reservation Health Officer. These forms will not be returned, so if your unit or individual Scouts wish to use them for another event, please make copies ahead of time.

If your Troop wishes to use our express check-in option, you must bring your completed medical forms to the pre-camp planning meeting the Tuesday before you arrive at camp.

Campers (youth and adults) will not be allowed to stay on the reservation without a valid medical form on file. **No exceptions.**

Religious Services

Cachalot Scout Reservation employs a part-time Chaplain to meet the spiritual needs of our campers. Also an interfaith service will be held each week.

Photographs

A Troop photograph is a great souvenir of camp. Each Scout will receive an 8" x 10" troop photo, the cost of which is included in the camp fee.

Program Commissioner

Our Program Commissioner is your best source for information and assistance while at Cachalot. His job is to make sure your week at camp is the best experience possible. He will also be conducting daily campsite visitations to ensure campsites are kept neat and orderly.

Trading Post

Cachalot keeps a fully stocked trading post with a variety of Scouting literature, Cachalot memorabilia, and tasty snacks. Open normal program hours, don't forget to stop by.

Pre-Camp Planning and Arrival

Throughout the off-season, we will be sending you information regarding payments and status of your Troop. Please be sure to check it thoroughly to avoid any surprises when your Troop arrives. Common issues we can work to avoid are information going to the wrong person, payment discrepancy, and vital information and paperwork missing during check-in. If you have any questions or concerns please do not hesitate to contact the Camp Director at (508) 295-2117 from June 28 through August 8 or at (508)402-7060 x28 at any other time.

Arrival at Camp

It is our desire to make the check in process as easy and painless as possible. Staff will be on hand to guide you through the process. To make check in as smooth as possible, please do the following:

1. Ensure final payments are made by June 15th.
2. Bring your medical forms to the Tuesday night pre-camp meeting. Bringing your medical forms with you when you check in will greatly lengthen the time required to check in.
3. Have your Scouts arrive wearing bathing suits, with towels easily accessible.
4. Upon arriving at camp, please drop off your Troop's gear in the area marked for your campsite. Please do this prior to checking in. Our Camp Staff will transport your Troop's gear to your site while you are touring the camp. If you wish to bring gear up to your site yourself (i.e. delicate items, gear trailers) you may do so before 12:00 noon. All vehicles must be back to the parking lot before the first tour begins.
5. Please arrive at the Welcome Center at your pre-assigned time with your entire Troop. You will not be allowed to proceed without them.

Arrival Times: Troops are assigned an arrival time by campsite. They are as follows:

Cohakett:	1:00 PM	Assonet:	1:10 PM
Baden Powell:	1:20 PM	Winnetuxet:	1:30 PM
Sconticut:	1:40 PM	Nemasket:	1:50 PM
Agawam:	2:00 PM	Sippican:	2:10 PM
James West:	2:20 PM	Mattapoissett:	2:30 PM
Acooshnet:	2:40 PM		

Leadership at Camp

All adult leaders staying on the Reservation must be registered members of the BSA. All units are required to bring at least two adult leaders, one of which must be at least 21 years of age. Troop leaders assume primary responsibility for the discipline of their Troops while at camp.

Smoking Policy: The Boy Scouts of America does not encourage smoking and expressly forbids it among youth members. Adult leaders who choose to smoke may not do so in any camp building or structure, must do so away from Scouts, and must properly dispose of cigarette butts.

Leader Events: As we all know, the primary purpose of camp is to provide Scouts with a great program that reinforces the values of Scouting. However, we also want the adults to have fun. To this end, a variety of adult leader events will be taking place during your week at camp. Scoutmaster shoots and cookoffs might be some of the events. More information will be available after you arrive.

Leaders' Merit Badge: This is a great way to assist the staff and the Scouts in camp. Sign up for this merit badge, complete the requirements, and earn a special recognition patch. The requirements include five areas of service to camp: help your boys with a merit badge, do a service project, assist at the waterfront at least once, participate in a leaders event, and attend all leaders meetings.

Leaders Meetings: The Camp and Program Director will hold a meeting with Scoutmasters daily at 10:00 am. Monday, Wednesday and Friday are of particular importance. They will be held outside the trading post. Please have at least one of your leaders attend.

How Can I Help?: Adult leaders are a great resource for any camp. During your stay, we hope you will consider helping our staff in a variety of ways. Our Ranger can always use help on maintenance projects and the waterfront can always use more lifeguards. For more information on helping out, talk to the Program Commissioner.

General Rules and Regulations

All the policies and procedures of the Boy Scouts of America, Narragansett Council, and the Commonwealth of Massachusetts are in effect and enforced at Cachalot Scout Reservation.

Two Deep Leadership: Required at all times! This includes all camp and Troop activities.

Buddy System: All Scouts should have a buddy at all times and know where he is, not just while in the water.

Pond Use: Swimming and boating are only allowed at the waterfront, during program hours.

Chemical Fuels: Knowledgeable adult supervision must be provided when Scouts are involved in the storage or use of chemical fuels. Lanterns and stoves should only be used in your campsite at least twenty feet away from any tents or structures.

No Flames in Tents: This includes smoking, tiki torches, citronella candles and the like.

Personal Equipment: We cannot allow Scouts or Scouters to use their own program equipment on the Reservation, this includes, but is not limited to: firearms, mountain bikes, archery equipment, all terrain vehicles (ATVs), generators, power tools, and personal watercraft. The one exception is fishing gear.

Alcohol and Drugs: Strictly forbidden. All prescription drugs must be turned over to the Health Officer. Possession of drugs or alcohol will result in immediate dismissal from camp.

Vehicles in Camp: Personal vehicles must be parked in the reservation parking lot. Only the Camp Director can authorize exceptions.

Quiet Time: From taps (9:30 PM) to reveille (7 AM) Scouts are required to be in their campsites and quiet.

Pets: Campers and visitors may not bring pets to the reservation.

Visitors: Visitors must check in at the welcome center upon arrival. Parents and other relatives are especially invited to our Sunday Cookout. All visitors must leave the reservation by 11 PM.

Scouts Leaving Camp: All Scouts must bring a pick up authorization form to camp. These will be collected at check in. Scouts will only be released to individuals on this form and identification will be required. Scouts must sign out and sign back in at the Health Lodge.

Campsite Modifications: Please do not make any permanent modifications to your campsite without the prior approval of the Ranger.

Emergency Procedures

Our staff has been well-trained on exactly what to do for fires, lost boys, severe storms, and a variety of other emergency conditions. Whenever the camp siren sounds, all campers must assemble by Troop on the Tom Cullen Field as quickly and safely as possible and await instructions from a staff member. A mobilization drill is held soon after your arrival at camp. Please treat this drill seriously. In the event of an actual emergency, it is essential that you assist us by keeping your Troop calm and under control. We also ask that you follow directions and allow our staff to do their job without obstruction.

ADVANCEMENT AND PROGRAM INFORMATION

General Advancement Information

Troop Leaders: You play a critical role in encouraging Scouts' participation by guiding them in the selection of merit badges and monitoring their progress. Summer camp is not a merit badge factory, but rather an opportunity to accomplish reasonable and attainable goals in a unique setting. Advancement should be one part of a Scout's overall camping experience. Troop, Patrol, buddy, and individual activities are equally as important, and Scout Leaders play a vital role in ensuring a well-balanced program for all.

Rank Requirements: Scouts will have many opportunities to work on rank requirements at camp. This phase of the advancement program takes place with the guidance of the Troop leadership. Members of the Cachalot staff will provide assistance through demonstrations and hikes for a variety of skills. Staff members will not sign for rank requirements; this is the responsibility of the Troop.

Merit Badge Applications: The official merit badge application (blue card) is a requirement at Cachalot for proper merit badge completion. Unit leader signatures are required on all cards, and must be presented at the first class. All cards will be returned at the end of the week. Please be sure you have them all by the end of the week to avoid confusion later.

Merit Badge Policies: Cachalot offers merit badges approved by the Narragansett Council Advancement Committee. All merit badge counselors and instructors are qualified staff members under the supervision of the Program Director and Camp Director. Merit badge counselors will sign merit badge cards for each Scout who completes the requirements. Every effort is made to guide Scouts in completing requirements. Scouts should be encouraged to plan their merit badge programs well in advance and be aware of any prerequisite requirements.

For badges with prerequisites, the Scoutmaster must furnish the merit badge instructor with a partial blue card or a letter addressed to the instructor detailing which requirements have been met. Prerequisites are available on page 14.

If requirements are not completed, the counselor will issue a partial merit badge card. If a partial is issued, the Scoutmaster should assist in locating a counselor to subsequently complete the badge. There are no exceptions to completing requirements and requirements cannot be altered or changed for any reason.

Quality control in our merit badge program is a shared responsibility of leaders and staff. We pledge to do our part in upholding B.S.A. standards and we ask you to do the same.

Advancement Reports: As with all Boy Scout advancements, advancement reports must be filled out for badges earned at camp.

Program Planning and Objectives

A good program will reflect the needs, interests, and goals of the individuals, patrols, and leaders in your Troop. You should strive for a good balance of advancement, Scoutcraft, adventure, and learning activities with an eye to complementing the year round program of your Troop.

Step 1: Scoutmaster Spring Meeting (April)

The Scoutmaster or another adult leader should attend the Spring Leaders' Meeting to receive information on the upcoming season and the leaders' manual. After a careful review of the materials, you will be ready to begin the planning process with your Troop.

Step 2: Troop Informational Meeting (May)

Scoutmaster and SPL meet with Troop members to share information received at the leaders meeting and begin the planning process. The basic building block of your Troop program is the individual. Start with the Scout first and build your program from there.

Step 3: Program Planning Sessions (May)

Distribute necessary planning tools to each patrol. Determine your "summer patrol" groupings if different from your year-round patrols. As individual Scouts make their plans, Patrol Leaders should coordinate the activities and goals of Scouts as they develop the patrol plan. Include patrol activities and be prepared to make recommendations for Troop activities. Patrol plans should be coordinated to finalize the Troop schedule.

Step 4: Troop Leaders Council Meeting (May)

Patrol Leaders bring their patrol plans together to create the Troop plan. Scoutmaster and SPL review individual and patrol plans and suggest modifications as necessary.

Step 5: Pre-Camp Parents Meeting (May or early June)

This is a great opportunity to discuss items such as sending mail, phone calls, and spending money, as well as to collect required items like medical forms, pick up authorization forms, and any other permission slips you may need. We suggest you prepare a handout for your parents including all they need to know while their son is at camp.

Step 6: Scoutmaster Meeting at Cachalot (Tuesday before arrival at camp)

Make sure to bring your medical forms! This will make check in much smoother. Final information regarding your week at camp will be distributed and the shoot/swim lottery will take place. The Camp Director, Program Director and Program Commissioner will be on hand to answer any final questions you may have.

Step 7: Final Checks (Before leaving for camp)

Before you leave for camp, make sure you have brought all the program items you will need and all your Scouts have all the equipment they will need for a successful week at camp.

Step 8: Sunday After Arrival

After arriving on Sunday, Scouts will have the opportunity to tour camp and sign up for merit badges. With proper prior planning, this and the rest of the week will be a breeze.

Program Centers

Aquatics

Cachalot Scout Reservation maintains a fully-staffed waterfront for instructional and recreational aquatic activities. A National Camp School certified Aquatics Instructor oversees the staff and campers at all times while the waterfront is in operation. Everything from BSA Lifeguard to water polo is available. Scouts are tested and placed into ability groups on Sunday.

Merit Badges: Swimming, Lifesaving, Sailing, Canoeing, and Rowing merit badges are all offered. See the merit badge schedule on page 15 for times.

Free Swim: Just for the fun of it. Open Swim is available Monday through Friday from 11 AM to 12 PM and 3-5 P.M.

Open Boating: Can be done during open swim or during the 7-8 PM session. Sailboats, rowboats, canoes, and kayaks are all available on a first-come, first-served basis.

Mile Swim Certificate: Scouts who are strong swimmers may choose to qualify. This takes place during the 9-10 AM session.

Snorkeling BSA: Learn to use snorkeling equipment and earn a patch. Offered during the 4PM-5PM session.

BSA Lifeguard: This is a vigorous program of swimming and lifesaving instruction and practice. This will require a full week of aquatic instruction and work and is a great program for older campers. CPR certification is required before arrival at camp. Applicants must be at least 14 years old and have completed Swimming and Lifesaving merit badges. Plan to be at the waterfront from 9-12 every day and some afternoons as well.

Safe Swim Defense: All adults are strongly encouraged to take this training. A certificate is awarded upon successful completion and is good for two years.

Safety Afloat: This is a training program promoting boating safety. A certificate is awarded upon successful completion and is good for two years. Safety Afloat training must be completed prior to any Troop trips involving boating.

Canoe Overnighter: This trip can be great fun. See the Aquatics Director or Program Director for more details at the beginning of your week in camp. A waiver must be signed for trips to "Mosquito Island".

Water Games and Challenges: During certain nights, the 7-8 PM session the waterfront will be alive with activity. Patrol and Troop challenges are encouraged. See the Aquatics Director for more details.

Scoutcraft

Our Scoutcraft Center is directed by a National Camp School Certified Outdoor Skills Instructor. Merit Badge instruction and special demonstrations are available to all campers.

Merit Badges: Camping, Cooking, Indian Lore, Orienteering, Pioneering, and Wilderness Survival merit badges are all offered at the Scoutcraft Center. See the merit badge schedule on page 15 for times.

Demonstrations: These fun and informative demonstrations can be offered some nights during the 7-8 PM session. Special arrangements can also be made to have a cooking demonstration done over a meal. Please see the Scoutcraft Director for more info.

Fire Building: Everything you need to know. Very popular with younger Scouts.

Stove Use: This demonstration will instruct Scouts in the proper use of Peak 1, Coleman, and Solid Fuel stoves.

Utensil-less Cooking: The “no clean up” way to cook.

Dutch Oven Cooking: Add more great meals and desserts to your repertoire.

Ropework Plus: Learn knots, splicing, and lashing.

Paul Bunyan Award: This is a fun award earned by practicing safe axmanship. Stop by and find out how.

Leave no Trace Training: This training on how to be more conservation-minded in the outdoors will take place on Monday evenings.

Eagle Quest

This year Eagle Quest will be located adjacent to the Scoutcraft center and overseen by our Scoutcraft Director. The program is designed for first year campers and teaches skills related to the requirements for Tenderfoot, Second Class, and First Class ranks. Sessions will be offered from 9 to 11 AM and 2 to 4 PM and will function similarly to other merit badge classes. Your scout may attend either session.

The staff will work with Scouts in small groups and fill out a progress report that the Scout can bring to his Scoutmaster. The staff will not be signing handbooks as this is the responsibility of the Troop leadership. Individualized attention is always best, so any adult leaders with free time are encouraged to help out.

The Eagle Quest program is not designed to take a Scout and make him First Class in one week's time. It is, however, a great start to getting to First Class in one year.

Scouts are required to bring their handbooks and Eagle Quest progress reports to all sessions they attend.

Ecology-Conservation Area

The Ecology-Conservation Area is directed by a National Camp School certified Ecology Instructor and is located at the boat house near Five Mile Pond. It offers a variety of merit badges and other activities to help Scouts and Scouters learn more about nature.

Merit Badges: Energy, Environmental Science, Forestry, Fishing, Geology, Nature, Mammals, Reptile Study, Fish and Wildlife Management, and Soil and Water Conservation merit badges are all offered. **New for '09 Space Exploration and Insect Study Merit Badges!!** See the merit badge schedule on page 15 for times.

Nature Hikes: We offer a variety of hikes designed to be both fun and informative. These hikes may be done with a buddy, a patrol, or an entire Troop.

Botany Hikes: A botany hike focuses on plants that live in New England. Edible, useful, and poisonous plants are all identified. Botany hikes are short and are a good way to see Cachalot. Check with the Ecology Director for more information.

Stargazing: Stargazing sessions begin after dark at a time announced at the Ecology Center. These sessions usually last an hour and keep Scouts out after taps. A Scoutmaster note is required for participation.

Fishing: Fishing is not allowed at or near the swimming or boating areas. Wading is not allowed. Cachalot Scout Reservation practices a catch and release policy. Register at the Ecology Center for an orientation on Monday. Scouts can bring their own fishing poles or borrow one of ours. Each week a certificate will be awarded to the Scout who catches the largest fish, have your catch weighed in at the Ecology Center.

Handicraft Center

There is always something to do in the Handicraft Center. You can work on a merit badge, create a Troop Plaque for the dining hall, or make something just for fun.

Paint, brushes, paper, tools, and other supplies are available for Scouts and Scouters to use for personal projects during your week at camp. Please see the Handicraft Director for more information, as not all materials will be available at all times.

The Handicraft Center is especially popular with younger scouts earning their first merit badges.

Merit Badges: Basketry, Leatherwork, Art, Pottery, Fingerprinting, Wood Carving, Sculpture, and Theater merit badges are all offered. See the merit badge schedule on page 15 for times. Certain merit badges require Scouts to purchase their own materials. These kits cost up to \$10.00 each.

Craft Projects: In addition to the merit badge program, the Handicraft Center offers the opportunity to work on a variety of craft oriented projects. The Trading Post offers many craft kits that can be purchased and worked on at the Handicraft Center.

Field Sports

Our top-notch field sports ranges are directed by a National Camp School certified Shooting Sports Instructor. We recommend shooting sports badges for Scouts in their third or fourth year at camp. These badges are complicated and require a great deal of precision shooting. Shotgun use is limited to Scouts and Scouters 14 or older.

Orientations: Orientations will be required of all Scouts and Scouters before using the ranges. No exceptions.

Merit Badges: Archery, Athletics, Cycling, Personal Fitness, Rifle Shooting, Shotgun Shooting, and Sports merit badges are all offered through our Field Sports Center. Check the merit badge schedule on page 15 for times. Rifle, and Archery merit badges are all very difficult and not recommended for Scouts under 12.

Rifle Range: Scouts have an opportunity to use .22 caliber rifles on our 8 bay rifle range with Open shoots and Rifle Shooting merit badge. Campers will also be able to work on NRA Marksmanship Awards.

NEW for '09!

Open Troop shoot will be offered in the afternoons for troops that would like the extra time to shoot together.

Shotgun Range: The shotgun program is for Scouts 14 and older. 12 gauge shotguns are used.

Archery Range: Archery merit badge and Troop shoots are offered. Bows with 20 to 30 pound draws are used.

Field Sports: Kickball, softball, volleyball, soccer, flag football and many other sports can be played on Tom Cullen Field. Horse shoes are also available at the horse shoe yard for Scouts and Scouters. Inter-Troop challenges are encouraged. These games are not only great fun, but also a great way to get to know Scouts from other Troops.

NEW for '09!

Paintball Range: The Paintball Range will be staffed by a range certified director and open during the morning sessions. Scouts will purchase a ticket at the trading post for a hopper full of

paintballs. Once at the range they will trade in their ticket for a hopper full of fun shooting at various targets.

Mountain Biking

Cachalot Scout Reservation is located in Myles Standish State Forest, which has 125 miles of bicycle trails. Cachalot provides bicycles and a knowledgeable staff member to assist troops in camp. Troops are encouraged to sign up for a troop or patrol bike hike. Individual bike trips are not allowed. Consult with the Mountain Bike Director to plan your trip and reserve bicycles.

NEW for '09!

Over Lunch Bike Trek: This is a four hour bike/ hiking trek through the Miles Standish State Forest. The trek will leave camp around 10am, bike through the Forest to East Head Reservoir. From there they will hike around the Reservoir, stop for lunch (which is provided) and then hike back to the bikes. They will arrive back in camp around 2:00pm just in time for their afternoon classes.

Cycling merit badge is also offered. See the merit badge schedule on page 15.

Bikes can only be used on specific bike trails

Extreme Scouting Area

This area is tailored to the older scout looking to go beyond the merit badge. Scouts can take

Cachalot Program Survive (CaPS): An intense training in the skill of survival under less than ideal circumstances. Scouts are immersed in a week long in depth training of the techniques taught in the various program areas. They function as a team throughout the week and hone their skills completing tasks throughout camp. Finally putting all their training to the test in a mock survival situation, It is fun to the X-TREME!!

Aquatics, Ecology, Scoutcraft, Handicraft and the Health Officer are all involved. CaPS runs from 9 AM to 11 AM and 2 PM to 4 PM every day.

Cachalot Mountain Man: This is for the Scout who is looking for X-TREME FUN! A rigorous, in depth, hands on training in the practical use of outdoor skills. Scouts must accept the challenge of functioning as a team to figure out how to get from point A to point B and what to do when you get there. The week will end with an intensely fun triathlon style trek out of camp to a "secret" island for an overnight stay. It will be the best night sleep they ever had!!

-For Scouts 14 or older (space is limited)

-Prerequisites include canoeing, swimming, camping, and wilderness survival merit badges

-Scouts will need a backpack, compass, and a tarp

-Parental consent form required for the overnigher

NEW for '09!

Mind Trek: Take the X-Treme Challenge! Scouts will beat the heat with a brain freeze by the end of the first day. This program provides an opportunity for the individual Scout to challenge themselves by learning to think "outside the box". Scouts will also cover a lot of ground (or not)

depending on their ability to solve the “unusual” riddles, brain teasers, and problems they encounter along the way to the far reaches of Cachalot where they will find their ultimate challenges. We really can’t tell you what to expect for this...anticipate nothing, expect anything!!

-For Scouts 16 and older

-Prerequisites: First Aid, outdoor skills (lashings)

Other Opportunities

Camp Greenough Trek:

Enjoy a day of adventure with your troop at Camp Greenough. You Leave from camp before breakfast and head to Greenough (troop provides own transportation). Once there you will enjoy kayaking in Barnstable Harbor and have lunch on beautiful Sandy Neck. You will be back in camp before dinner is served. The cost of the event is \$50 per person and can be paid when you check in at camp, we will however need to know if your troop plans on doing the trek at the Scoutmaster meeting the week before your check in.

Merit Badge Prerequisites

Certain merit badges have requirements one cannot complete at camp. In order to earn the merit badge, the Scout will need a partial blue card or note from his Scoutmaster. Pre-requisites are listed below by merit badge:

Nature

Energy: Requirements 1a,4,5,8

Environmental Science: Requirement 6

Fish and Wildlife Management: Requirements 5 and 7

Fishing: Requirement 7

Fly Fishing: Requirement 8

Forestry: Requirement 5

Geology: Requirement 4

Nature: Requirement 4

Reptile and Amphibian Study: Requirement 8

Soil and Water Conservation: Requirement 7

Weather: Requirements 9,10

Handicrafts

Art: Requirements 4 and 5

Composite Materials: Requirements 4 and 6

Leatherwork: Requirements 4 and 5

Pottery: Requirement 7

Sculpture: Requirements 2a, 3

Theater: Requirements 1,3

Scoutcraft

Camping: Requirements 5e, 7b, 8d, and 9

Cooking: Requirements 3c,7, 8

Indian Lore: Requirements 1 and 2

Orienteering: Requirements 7 and 9

Pioneering: Requirement 2a

Field and Shooting Sports

Archery: Requirement 1c

Athletics: Requirement 3,5,6b

Cycling: Requirements 7, 8, 9

Personal Fitness: Requirements 1 and 8

Rifle Shooting: Requirement 1d

Shotgun Shooting: Requirement 1d

Sports: Requirements 4 and 5

First Aid

First Aid: Requirement 2b (First Class Rank)

Emergency Preparedness: 1, 2c, 6c, 7, 8b, and 8c

Aquatics

Swimming: Requirement 3

LifeSaving: Requirement 1

Cachalot Scout Reservation Merit Badge Schedule

The following is a list of all merit badges available at Cachalot Scout Reservation including their times and locations. Some merit badges have requirements that cannot be completed at camp. Please see the preceding page for these prerequisites.

Campwide Events

Each and every single evening at Cachalot features one or more campwide event for the participation and enjoyment of the Scouts and Scouters at camp.

Sunday

Magee Family BBQ: Cachalot invites visitors and family members to stay for a family barbecue. Leaders are asked to fill out and submit the barbecue form with payment the Tuesday prior to arrival at camp.

Aquatics Orientation: Immediately following the Magee Family BBQ, all campers must attend an orientation at the waterfront to ensure safety throughout the week.

Kick-Off Campfire: Immediately following the Aquatics Orientation, everyone will assemble at Boathouse Field for our opening campfire. The staff provides a great show full of skits, songs, and cheers.

Monday

Great Cachalot Cookoff : This leader competition is always exciting and rewarding, especially for the judges. Cobblers, cakes, casseroles, soups, stews, and more will all be accepted, but let's not go overboard. Ten dollars should cover all your expenses. The Scoutcraft area will have a limited supply of Dutch Ovens, but you may want to bring your own. The kitchen may have limited supplies, but you should plan on bringing all your own ingredients. Remember, all entries must be cooked on the reservation. Have them ready for 7 PM. Leave No Trace orientation will also be available at this time.

Order of the Arrow: All Arrowmen are encouraged to wear their sash to dinner on Monday night. An Arrowmen social will be held for all at 8:00pm. Location will be announced

Open Shoot: The rifle range will be open for shooting to all eligible Scouts and Leaders. It is on a first come, first serve basis. Rules of the range will be strictly enforced. Starting time will be announced.

Tuesday

Safe Swim Defense and Safety Afloat Certification: This certification is good for two years. All adults are encouraged to attend as these certifications are required for troop aquatics activities all year.

Open Shoot: The rifle range will be open for shooting to all eligible Scouts and Leaders. It is on a first come, first serve basis. Rules of the range will be strictly enforced. Starting time will be announced.

Wednesday

Magee Day Activities: The George Magee Foundation has made possible many of the facilities found at camp, as well as other camps throughout Massachusetts. To honor the memory of his generous spirit, we celebrate Magee Day with special activities.

Camp-Wide Game: The game will start at 5:15 PM at the Tom Cullen Field. The game is new and exciting every year, see the Program Director for details.

A Cachalot Luau: Fire on the water, contests, competition, music, food, and most importantly, FUN! Listed below are just a few of the competitions.

SPL/Scoutmaster Canoe Race: This competition pits the best against the best. This is where the Scoutmasters get to show the SPLs what they know, or is it the other way around? The race begins at 7 PM.

The Canoe Swamping Challenge: Do canoes really sink? They do when someone is throwing buckets of water into them. The winners in this event are the crew that is driest. It's a fun to watch as to participate.

Thursday

Scout's retreat: A Scout is Reverent. An all faith Service will be conducted by our camp chaplain. Join us at the Covill Chapel to reflect on our duty to God.

Open Shoot: The rifle range will be open for shooting to all eligible Scouts and Leaders. It is on a first come, first serve basis. Rules of the range will be strictly enforced. Starting time will be announced.

Friday

Closing Campfire: After a fantastic week at Cachalot, it just seems right to have a closing campfire to recap the week, recognize some outstanding Scouters, and prepare to say goodbye to Cachalot for another season. Troops are encouraged to participate. All troop submissions must be approved by the Program Commissioner.

Daily Program Schedule

7:00 AM	Reveille
7:45 AM	Waiters Report to Dining Hall
7:50 AM	Flag Ceremony
8:00 AM	Breakfast

5:50 PM	Flag Ceremony
6:00 PM	Dinner
7:00 PM	Camp-wide Activity (see schedule above)
9:30 PM	Taps, Quiet Time

Specialty Programs at Cachalot

Cachalot Scout Reservation Counselor in Training Corps

The CIT Corps is a training program for 14 and 15 year old Scouts serious about becoming future staff members. CITs should be at least First Class and have their Scoutmaster's approval. As a CIT, Scouts learn the basics about leadership, merit badge class management, staff spirit, and much more in a basic week that runs concurrently with staff training and development week. This week is required of all CITs.

CITs who successfully complete their basic week are then immersed in the programs areas each of the following four weeks. These weeks involve the CITs working directly with the staff in every aspect of camp operation. During these weeks, CITs will also have the opportunity to participate in the advancement program offered at Cachalot.

The cost of the CIT program is \$180.

Cachalot's CIT Corps is a great training program and also great fun. To sign up, contact the Camp Director.

Trail to Eagle Camp

This program is designed for First Class, Star, and Life Scouts. Eagle required merit badges will be offered, but that's not all. Sessions exploring the nature of leadership, the perfect Eagle service project, and the paperwork required of Eagle candidates will be offered.

Scouts attending will be lodged provisionally in one of Cachalot's regular campsites. The cost of the program is \$320 per Scout. Scouts interested in signing up can obtain a form on our website <http://www.campcachalot.org>. Adults interested in serving as an Assistant Scoutmaster for the week can contact the Reservation Director. Trail to Eagle Camp takes place July 26 to August 1.

Cadre Provisional Troop 546

Is one week at camp just not enough? Then join Cadre Troop 546 for a week, or two, or three. We provide the leadership and the Scouts are free to enjoy all that Cachalot Scout Reservation has to offer. The fee for Cadre campers is \$320

Cachalot Scout Reservation

2009 Refund Policy

**REFUNDS MUST BE REQUESTED BEFORE OR DURING YOUR WEEK AT CAMP .
REQUESTS FOR REFUNDS WILL NOT BE CONSIDERED AFTER YOUR TROOP HAS LEFT
THE RESERVATION.**

Refunds should be requested in writing during a unit's check-in or during the unit's week at Camp. Refunds should be requested by a registered member of the unit's leadership. Refunds can be submitted to the Reservation Director.

If approved, all refunds for Scouts camping with chartered units will be mailed directly to the leader of record of that unit from the Narragansett Council's administrative office within thirty days of the request.

For Scouts attending the Cadre, Eagle Week or Counselor-in-Training Corps programs, properly requested, approved refunds will be mailed directly to the Scout's family.

The following are conditions for authorized refunds (written documentation may be required):

1. Illness of Scout prevents attendance.
2. Illness or death in the family of the Scout prevents his attendance.
3. A family move makes attendance impractical.
4. A Scout must attend summer school.

The following payments are non-refundable:

1. Troop site deposit fee of \$50.
2. Troop confirmation fee of \$500.
3. Deposit fee for CIT, Eagle Week or Cadre Campers of \$35.
4. \$25.00 Individual Commitment Fee – Hat Incentive **

Refunds may be requested for Scouts who must leave Camp early for personal or medical reasons. Again, written documentation may be required. *Homesickness does not constitute a refundable medical reason.*

Refunds will not be issued to units planning an early departure from Camp.

** The \$25 hat incentive deposit is non-refundable and non-transferable. Troops bringing less than what was deposited for the April 15 deadline will be charged \$25.00 per Scout not in attendance.

All refunds are subject to the discretion of the Camp Director and/or Council Program Director

2009 FEES

Payments may now be made on-line at www.campcachalot.org

In-Council* Scouts (with own Troop):	\$ 305.00 per Scout
Out-of-Council Scouts (with own Troop):	\$ 320.00 per Scout

CACHALOT HONOR TROOP AWARD FORM

Troop # _____

Week _____

To earn this award the troop must complete the following:

1. Troops must submit evidence of a planned program on the Monday of the week they are in camp or at the Tuesday night Scoutmasters/Senior Patrol Leaders meeting, the week before the troop comes to camp.
2. Units must participate in the camp activities, such as Daily and Evening retreat Ceremonies, Saturday Dress Parade Ceremony and Sunday and Friday Campfires.
3. The troop must score 80% or above on their Clean site inspection.
4. The Senior Patrol Leader must participate in the senior patrol leader planning and training sessions.
5. Troops must display good scout spirit while in camp, good sportsmanship, good manners, singing in the dining hall, etc. The Program Director, Camp Commissioner and the Camp Director will decide the determination of a Troops Scout Spirit.
6. Troops must participate in the Advancement Program of the camp.
7. Two deep leadership and senior patrol leader must be in attendance and performing their rolls at camp during the entire week.
8. Your troop flag must be flying at retreat ceremony each evening.

Troops that meet all of the above requirements and have them signed will be eligible to receive the **Cachalot Honor Troop Award**, which will be presented during the Saturday Dress Parade. All troops should strive to be the very best they can be, so work hard, and become one of CACHALOTS BEST.

CACHALOT TOTEM TRAIL

This is a new twist on an old program here at Camp Cachalot that is now available to all scouts in camp. The Totem Trail utilizes all of the camp's program areas to allow the scouts a chance at earning a self directed award. A total of 34 activities have been selected, ranging from the easier, to extremely difficult to accomplish. They are organized into groups, relating to the program area that they belong in. A scout can choose to work on any of the 34 requirements during his free time. Upon completion of any requirement in an area, that area director will punch the number that coincides with that requirement on the scout's Totem Trail Card.

When five or more requirements in any program area* have been completed and punched on the card, the scout may then take his card to the Trading Post and purchase the rocker patch for the specific area that he has completed. There are a total of six rockers available for this award. They are for Aquatics, Scoutcraft, Field Sports, Nature, Handicraft, and General Camp Cachalot Activities.

* Excluding Aquatics and Handicraft, which only have 3 items. All of these need to be completed.

Below is a sample of the Trail Card.

- #31 Work on the Totem Pole or Dugout Canoe.
- #32 Pick up some trash around camp.
- #33 Have fun.
- #34 Show some Scout Spirit.

Release, Waiver of Liability and Indemnity

(To be filled out by all participants in Cachalot’s Mountain Man Program)

I hereby request permission to enter onto the property of the A.D. Makepeace Company (on foot and by vehicle) for the purposes of hiking, fishing, and other forms of passive recreation. I wish to participate in these activities knowing that they are potentially dangerous. I understand that A.D. Makepeace Company carries on a commercial agricultural business on property which increases the potential danger. I, nevertheless, accept and assume all the risks of injury (including death) to me or my property.

In exchange for being permitted to enter onto the property and participate in these activities, for myself, my heirs, guardians, and legal representatives, I hereby release and agree not to make or bring any claim of any kind against the A.D. Makepeace Company, or its officers, directors, members, employees, or any other invitees, permittees, or guests of A.D. Makepeace Company (collectively, the “A.D. Makepeace Interests”) for any injury (including death), to me or any damage to my property whether from anyone’s negligence or not, or any other cause, arising out of my use of the A.D. Makepeace Company property or my participation in these activities. I also agree that if I cause any injury or damage to the A.D. Makepeace Company property or the A.D. Makepeace Company Interests I will be fully responsible and liable for same and if any one who participates with me makes any claims against the A.D. Makepeace Company Interests because of any injury or property damage, I will, in all such instances, indemnify A.D. Makepeace Company Interests from any such liability or claims.
